Intentional Discipleship Training

"IDT has greatly helped in shaping my growth. At IDT, besides the spiritual equipping given by our pastors and leaders, we witnessed how God drew His people together in this wonderful community to seek His word and to experience His presence in growing our faith and love for Him. The equipping provided good handles to tackle life situations. It also helped me prepare for CG sessions and share with greater confidence."

Jimmy Loke, IDT Graduate 2017

"As a married couple going through IDT together, we benefited so much — having rich discussions after each thought-provoking lesson, challenging each other to revise our memory verses and most of all establishing the habit of reading the Bible daily together, praying and journaling ... the amazing thing was that as we grew closer to God, we grew closer as a couple!"

Kock Yong & Rosita, IDT Graduates 2017
